

Parent/Guardian Application

Dear Parent/Guardian(s):

Before completing the attached application, please take time to read and understand this letter. The information below will help you determine if you and your student wish to participate in the Hennepin Technical College - TRIO Upward Bound program.

The major goal of the TRIO Upward Bound (UB) program is to **help students develop the skills and motivation required to succeed in education both in high school and beyond**. Admission to the Upward Bound program is **not automatic**; students must complete a **rigorous application and selection process**.

Upward Bound is a **federally funded** TRIO program designed to assist 60 students who are interested in enhancing their academic skills and furthering their education. The students are recruited from two high schools: **Robbinsdale Cooper High School and Osseo Senior High School**. The student must take all activities required by Upward Bound seriously. If Upward Bound does not feel the student is making the necessary commitment to his/her education, the student may be placed on a performance contract, which if not fulfilled, may result in dismissal from the program.

Students who are admitted must **agree** to take part in an intensive **six-week, Summer Program and an Academic School Year Program**, which have the following major objectives:

1. Increase academic performance of program participants.
2. Increase the motivation of program participants to succeed in high school and attend college.
3. Provide informative and enriching mentoring/career/educational opportunities for all participants.
4. Increase participation in cultural/educational experiences beyond those available at their high schools.
5. Provide group/individualized tutoring, guidance and counseling for program participants.
6. Provide assistance in securing admission to a postsecondary institution and adequate financial aid to attend.
7. Provide a bridge between high school and college during the summer after the participant's senior year.

These objectives can only be met if students actively participate and accept responsibility for participation.

Please feel free to contact me if you need further information or assistance. I can be reached at 763-488-2614 or sable.gjesvold@hennepintech.edu

Sincerely,

Sable Gjesvold
Director of Upward Bound
