

Public Safety Career Exploration Camp

What are you doing with your summer? Are ready to explore a career as an Emergency Medical Technician, Firefighter, or Police Officer? Do you want to explore real equipment, tour local facilities, and meet professionals working in the field?

In this three-week course, participants will learn what is required to work in each field, including education, certification, and skills. Students that complete and pass the assignments as a part of this camp will receive three college credits and will become nationally certified in CPR/ First Aid.

Get Started

Camp runs from June 10 - 27 and is held Monday-Thursday from 12:00 pm – 4:00 pm at the Brooklyn Park campus. The course is free to high school juniors and seniors. Contact Hennepin Tech Customized Training to learn more and enroll.
