

## Alignment with Other States' Licensed Practical Nursing Educational Requirements

The U.S. Department of Education has implemented regulations (Regulation 34 CFR 668.43 (a) (5) (v)) which requires Hennepin Technical College in Practical Nursing Programs in Nursing to provide the following:

1. a list of all states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification;
2. a list of all states/jurisdictions where the institution's curriculum does not meet state educational requirements for professional licensure or certification; and
3. a list of all states/jurisdictions where the institution has not made a determination of whether the curriculum meets educational requirements.

For further information, please go to the National Council of States Boards of Nursing (NCSBN) website to look up each state's initial licensure educational requirements: <https://www.ncsbn.org/14730.htm> Students should contact the Board of Nursing in the state they would like to be initially licensed in for more specific information.

Note: This information is only for initial licensure by exam requirements for the state listed. This information DOES NOT apply to transferring Minnesota RN or PN Licensure to another state.

***\*The table below was completed as accurately as possible with the information provided to the Director of Nursing at Hennepin Technical College on July 1<sup>st</sup>, 2020. Hennepin Technical College assumes no liability for any errors in the information contained in this table.***

Vermont	Undetermined if HTC meets educational requirements
Virginia	HTC does not meet educational requirements
Washington	Undetermined if HTC meets educational requirements
West Virginia	Undetermined if HTC meets educational requirements
Wisconsin	HTC meets educational requirements
Wyoming	Undetermined if HTC meets educational requirements

Hennepin Technical College Practical Nursing Program meets the educational requirements set forth by the Minnesota State Colleges and Universities (MinnState), and the Minnesota Board of Nursing. The diploma program, with the option of earning an A.A.S. degree in Practical Nursing, meets the educational requirements for professional licensure in the State of Minnesota.

The Practical Nursing program is approved by the Minnesota Board of Nursing. The program is also accredited by the Accreditation Commission for the Education in Nursing (ACEN). Students graduating from this practical nursing are prepared to test initially in the State of Minnesota.

More information regarding the program can be found on the Hennepin Technical College school website at: <https://hennepintech.edu/academic-programs/health-services/practical-nursing/index.html>
