HOW TO understand your Degree Audit Report (DARS)

DEGREE AUDIT: also known as “DARS” is a self-directed, automated electronic tool for tracking a student’s progress toward completing an academic program (degree, diploma or certificate). It provides a personalized list of required courses, marking those already completed and those still needed.

- 1) Go to <https://hennepintech.edu> and under **Current Students**, choose **Eservices & Schedule**.

- 2) At the bottom of page, under **eServices**, click on **the campus you are attending**.

eServices and Schedule

Find the courses you need!

eServices

eServices allows HTC students to register for classes, check grades, check financial aid status, make payments and more.

Please choose a campus to log in.

- Brooklyn Park Campus
- Eden Prairie Campus

Need help registering for classes? Visit with an **advisor**.

Set up your [HennepinTech](#) student email to receive registration notices.

3) Login with **StarID** and **StarID password** (wx1234yz – sample format).

4) Click on **Academic Records** in the left navigation pane. A drop-down list will appear.

5) **HOW TO FIND YOUR DEGREE AUDIT REPORT:** click on **Degree Audit**. The window below will show. Click on **Request a Degree Audit** to move forward.

6) You will be prompted to login with your **StarID** and **StarID password**.

- 7) You will see the drop-down list below. Choose **Hennepin Technical College** from the list. Click **Continue**.

- 11) Another item you will notice is the pie chart on the left side of the audit. This chart visually indicates how much of a program there is left for a student to complete. Green indicates **complete**; blue indicates **in progress**, and red indicates **unfulfilled**.

The student's pie chart to the left indicates that they will be complete with their program at the end of the current semester.

- 12) The Degree Audit also holds a legend for students to follow when reading their Degree Audit. See below.

- 14) Total credits are indicated first—indicating the minimum credits needed to complete program. Most programs are 60 credits; however, some do require more. This is important fact to know for your program. Also, understanding how many credits you have earned, what is in progress, and what you may still need to complete will be listed here as well. GPA is shown to the right of the page.

AT LEAST ONE REQUIREMENT HAS NOT BEEN SATISFIED

NO Total credits
Minimum of 65 credits with a minimum GPA of 2.0.
Due to some course requirements overfilling, amount of credits needed may not reflect accurately.
