Subject: Student Emergency Fund Application
Date: Wednesday, February 17, 2021 10:54:12 AM

Dear {{Person/Core - Preferred First Name}}:

The federal government has released the **Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA 2021)** and a portion of it supports students affected by the COVID-19 pandemic and economic downturn. CRRSAA provides emergency financial aid grants to eligible students to cover expenses related to the disruption of campus operations due to the coronavirus. Eligible expenses include those considered as the student's cost of attendance, such as food, housing, course materials, technology, tuition and fees, health care, and childcare. Visit the [HTC website](#) for more information on CRRSAA Funds.

Students who are enrolled in a credit-based program during the Spring 2021 semester and are Pell-eligible can submit a [HTC Emergency Grant Application](#) to apply for CRRSAA funds. Funds will be distributed through direct deposit or check (if direct deposit is not set up) to student account numbers or addresses on file in [eServices](#). **The deadline to apply is Friday, March 5, 2021.** Funds will be disbursed to eligible applicants by late March.

If you have any questions about the emergency grant application, please contact OneStop at onestop@hennepintech.edu or 952-995-1300.

During this challenging time, I encourage you to access resources you may need by visiting our [Resources and Services](#) webpage. We remain committed to helping you reach your academic goals safely and successfully.

Sincerely,

Jessica Lauritsen
Vice President of Student Affairs
