  - c. Committees;
- Ariel gave a report on a meeting held with members of the MN State Senate.
    - People were respectful and personable, conversation led to the following topics:
    - Representative Burke talked about the prior  $\frac{2}{3}$  -  $\frac{1}{3}$  tuition assistance, which is now  $\frac{50}{50}$ .
    - Financial and food security
    - Mental health impact of COVID-19 on students reflected on academic success and grades.
  - Asani talked about encouragement to follow opportunities on political participation at state level
  - Sue Schmitz gave an update about HTC app.
    - Asked for senate feedback.
    - Also stated that HTC is on the research phase

- Asani inquired if the app with all features would be affordable
- Jese make a differentiation between HTC webpage (user friendly) and future mobile app (student oriented for academic productivity)
- Waldo asking student in survey form about the utility of a HTC application. Sue responded that senate would
- Jade stated that taking surveys is a great tool to have clues and hints of what to pursue, however express concerned about privacy of the personal information collection.
  - Survey for App should be anonymous
- Asani talked and inquired about PULSE (D2L), mobile app introduced last year
- Jese responded that new app will integrate D2L and all other features of the HTC website

**VI. Old Business:**
