LeadMN has their September Leadership Conference on 9/23 @ 6 pm VIRTUAL. I don't know the topics they will be covering but most likely it will be about what they plan to lobby at the capital about this year and the main goals they have for this year. There will be games or meet and greets too. More information and how to register can be found here:

Student Life Board members are needed: We will ask at our Senate meeting on 9/8 for students who are interested to be on the board to be appointed at the meeting. Senate members can be on the board but we like to have non senate members on the board. More info on SLB can be found here:

The College is looking for students to be on their committees. Right now I know Technology and Diversity Equity and Inclusion would like members.

Description: The Equity and Inclusion Committee promotes diversity, equity and inclusion initiatives to support the college's efforts to (1) increase employee and student diversity; (2) reduce and eliminate the student success gap; and (3) ensure a welcoming and inclusive campus climate.

At our meeting next week we will have 2 guests Mark Hibbs and Stephen Harper

National Voter Registration Day 9/28 11-1 tabling on campus let Jese know if you can help promote students registering to vote.

REMINDER:

The meeting next week starts at 12 pm please try to be either connected on Zoom or in the room H193 by 11:50 am so we can start on time.
