MAST2000	Fundamentals of Radiographic Imaging	2
MAST2041	Practicum	6

(Only online courses can be taken during this semester.)

Total Credits 8

General Information

- The Hennepin Technical College Medical Assistant Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), 25400 US Highway 19 North, Suite 158, Clearwater, FL 33763, P: 727-210-2350, F: 727-210-2354, E: mail@caahep.org, upon the recommendation of the Medical Assistant Education Review Board (MAERB).
- HTC's Medical Assistant Program expectations are to prepare competent entry level Medical Assistants in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains.
- All Medical Assistant students must earn a grade of C in all MAST courses to continue. If a student earns less than a C in a MAST course or drops a course (earning a W), the course may be repeated one time only.
- Current CPR for Health Care Provider, Professional Rescuer or EMSV1020 CPR/First Aide required before enrolling in MAST2041 Practicum.
- Students are required to complete a 240-hour **unpaid** practicum.
- The approximate books and supplies cost for MAST is \$1,800.
- Students must complete the Medical Assistant program in 4 years. The 4-year timeline begins with the first semester MAST courses.
- Grading scale used in MAST courses:
 - 93-100% = A
 - 86-92% = B
 - 80-85% = C
 - 75-79% = D
 - < 74% = F

Criminal Background Studies

Minnesota law requires that any person who provides services that involve direct contact with children, patients, and residents at a health or child care facility licensed by the State of Minnesota must have a background study conducted by the state. Individuals with specified felony convictions are prohibited from having direct contact with children, patients, and residents of licensed facilities. Anyone refusing to cooperate in the criminal background study cannot participate in coursework that requires direct contact with children, patients or residents. Students who are disqualified from having direct patient/resident/child contact will not be able to participate in coursework which includes a practical experience. Therefore, completion of coursework for the program major will not be possible without documentation of a cleared background study.

MnTC Goal Area 2

A complete list of MnTC courses and Goal Areas that can be used to meet General Education requirements can be found at www.hennepintech.edu. The same course cannot satisfy more than one MnTC Goal Area requirement.
