Parking and Commuting

Parking information

The following procedures and regulations have been developed and are monitored to maximize all available on-campus parking space to meet the needs for students, employees and visitors of the College.

Authority for establishing parking and traffic regulations on the State University campuses was granted to the Minnesota State College and University Board and in turn to the State University campuses by Minnesota Statute, Section 169.966, subdivision 8 (1984) and the Minnesota State University Board Internal Rule 402 F.1.e. The President of Hennepin Technical College has approved these regulations.

As an alternative to parking on campus, convenient bus service to each campus is available. Metro Transit at Brooklyn Park and Southwest Transit at Eden Prairie provide convenient bus service to the colleges from many locations within the Minneapolis/St. Paul area. The bus stops are located at the main entrance to each campus, and are identified by each provider’s signage. For more information on this service, contact Metro Transit or Southwest transit directly. Schedules/route information are available at the Reception desk at each campus.

All students pay for parking as part of their tuition fees.

Faculty, staff and adjuncts are required to purchase a parking permit annually to park on campus.

Campus Security will work directly with the Dean of Student Success, and Intermediate District #287 whenever student parking/driving concerns impact campus safety.
