Minnesota State
Colleges and
Universities System.

Areas Available 2016

- ARTS
- BIOL
- CCDS
- CHEM
- COMM
- ECON
- ENGL
- ESOL
- LANG
- MATH
- PHIL
- PHYS
- PSYC
- SOCI

Desire2Learn

- Online (103)
- Blended (71)
- Face-to-Face (310)

Points of Interest

- COMM – knowledge and tools to competently communicate with all aspects of students' lives
- ENGL – MN Transfer Curriculum, courses developed in collaboration with technical faculty, coursework designed to promote critical thinking skills
- ESOL – helps non-native English speakers achieve proficiency in Standard American English
- MATH – coursework that can apply to program areas, degrees, careers and daily lives
- PHIL – skills include understanding positions and reasoning of others, careful thinking and seeing issues through multiple viewpoints
- BIOL – courses provide experiences that support general education, allied health, bio-technology and pre-professional transfer programs
- PSYC – courses provide students with an understanding of the science behind human and animal behaviors and mental processes
- SOCI – courses provide students with social, cultural and global awareness and critical thinking skills
