What is a StarID?

The StarID is a username with the goal of replacing your many login IDs with one ID, one password, everywhere. Once you activate it, you can use your StarID and password anywhere that accepts StarID. It is unique across the Minnesota State Colleges and Universities system, so you can use it at more than one school. Change your password in one place — starid.minnstate.edu — and it will change everywhere.

- 6) After completing all 8 sections of the application, review your application for accuracy.
- 7) To submit the application, check off the acknowledgement box and then enter in your StarID password.
- 8) Look for the **Pay Now** button to pay the application fee online or you can log into [eServices](#) to pay the \$20 application fee under bills and payment.
- 9) The online application is typically processed within 1-2 business days. Student will receive an email and a letter in the mail on the next steps. Also, you can email the OneStop center to check on your admission status at onestop@hennepintech.edu or call 952-995-1300.
