

### What are class notes?

Class notes are additional information about a course that is communicated to them at the time of registration. It could consist of information on a mandatory first session on campus, to a re-statement of the delivery of the course, to information about a particular set of co-requisite courses that a student must register for along with that course.

### Where do I find class notes?

The course notes are found on the class schedule by clicking on the link for the course.
