

Hennepin Technical College™

August 6, 2021

Faculty, Staff and Students,

In accordance with protocols established by Chancellor Devinder Malhotra and Minnesota State (system office), Hennepin Technical College will begin **requiring all faculty, staff, students and visitors to wear a face covering** beginning Monday, August 9.

Minnesota State has set the following protocols:

- If a campus is located in a county that is categorized as substantial or high transmission by the CDC, face coverings *are required* for all faculty, staff, students, and visitors.
- If a campus is located in a county that is categorized as low or moderate, face coverings *may be required* for all faculty, staff, students, and visitors.
- All campuses should be *prepared to pivot* to requiring face coverings if cases increase.

Both Brooklyn Park and Eden Prairie campuses of Hennepin Technical College are located in Hennepin County, which currently is listed as substantial.

Questions can be sent to communications@hennepintech.edu.

Thank you,

COVID Response Team
Hennepin Technical College
