Hennepin Technical College℠
HLC Mock Site Visit

WHEN: Oct. 6, 2026, 9:00 a.m. – 2:00 p.m.
WHERE: HTC Brooklyn Park Campus
WHO: Visiting Mock Site Team

A mock site visit provides an opportunity for the college to experience an HLC evaluation process before the actual visit. It allows our campus to practice responding to questions, identify areas where additional preparation or evidence may be needed, and ensure that faculty and staff are comfortable articulating how our work aligns with HLC criteria. Most importantly, the mock visit builds confidence, consistency, and readiness across the college.
